

# *Yacht Vacations*

## **EXUMA CAY'S ITINERARY**

**The Exuma Cays are a 120 mile long chain-of Cays protected by the chain of the Out Islands. The Exuma Cays are scattered in a long line extending North to South from New Providence to Great Exuma. The Exuma Cays are the most exotic of the Islands, a collection of tiny jewels set in the aquamarine and sapphire waters of the most beautiful water you've ever imagined**

**The Exumas are a dream destination for sailors, fishermen (flats, reef and offshore) spear fisherman, snorkelers, paddle boarders and kayakers. The private islands are custom-designed for those seeking the ultimate escape, and new levels of luxury available aboard Zuri 3. Both the Cays and Great Exuma are the perfect spot for a Catamaran vacation**

### **Day 1**

- Pick up guest in Palm Cay Marina
- Depart for the Exumas
- Anchor the first night at leaf cay to feed the iguanas, spend some time on a beautiful beach and be surrounded by the most amazing islands

### **Day 2**

- Move to Highborn Cay
- Great snorkeling reef in shallow water to get everyone comfortable
- Go have a cocktail at Exuma's restaurant and bar
- Hire a bicycle to explore the island and go see the beautiful springs on the island
- Take some photos with the swing in the water and the beautiful Bohemian turquoise water in the back ground

### **Day 3**

- Head over to Norman's island known as Pablo Escobar's island
- Go see the beautiful lagoon at whales tale and snorkel the famous Pablo Escobar Sunken sea plane

### **Day 4**

- Shroud Key will be the next stop with the most beautiful river system flowing through the island where you can swim in the whirlpool and float back down the river on your floaty, stand up paddle board or see through bottom kayak to Zuri 3
- Here we move into the Exuma Land and Sea Park with the most amazing underwater sea life

### **Day 5**

- After breakfast we will set sail to O'Brien Cay to go feed the fish out of your hand at the "underwater aquarium" where you get to swim with most of the variety species of fish known in the Bahamas

### **Day 6**

- Head over to Compass Cay to go have some fun at Rachel's bubble baths for a short hike up a river system and swim in the white bubbles that the Atlantic Ocean provides breaking over the rocks into the bubbly pool
- Get your infamous photos with the nurse shark feeding them at Compass cay marina

### **Day 7**

- The 2nd to last day will be at Staniel Cay and Big Majors known for feeding the swimming pigs and snorkeling the most amazing underwater caves called Thunder-Ball Grotto
- Have a drink at Staniel Cay Yacht Club and enjoy the night life that they provide

### **Day 8**

- Have breakfast onboard and depart from Staniel Cay Yacht Club to the airport
